

Ignite Abbotsford is coming back on October 11, 2017 at the Phoenix Ballroom. After the phenomenal sell-out success of our first event, we are making it an ongoing event for people to share their stories and experiences in a fast-paced and exciting format.

In keeping with our own beliefs of the importance of community involvement in mental wellbeing, the theme in October will be Passions & Perspectives. We will be inviting speakers from a variety of backgrounds to share their passions and offer unique perspectives to help benefit our community.

We are seeking more sponsors and donors to help keep costs down and have this event be accessible to everyone, and we would like to provide local organizations with an opportunity to show support for exchanging ideas to make our community even better. Gold, silver and bronze sponsors will have their logos on all promotional material in the sizes indicated below. Those who donate smaller amounts will have their name added to our list of supporters on promotional materials at the event.

If you would like join our list of sponsors and support our Abbotsford events, please email us at [igniteAbbotsford@gmail.com](mailto:igniteAbbotsford@gmail.com) to make arrangements.

Samples of sponsor logo size and cost per event:

\$500

\$250

\$100

Thank you for your support.
